HEALTH INFORMATION COLLECTION AND USE CONSENT

We require your consent to collect personal information about you. Please read this consent form carefully and sign where indicated below.

Crows Nest Medical Centre collects information from you for the primary purpose of providing quality health care. We require you to provide us with your personal details and a full medical history so that we may properly assess, diagnose, treat and be proactive in your health care needs. This means we will use the information you provide in the following ways. Please read this consent form carefully and sign where indicated below.

- Administrative purposes in running our medical practice.
- Billing purposes, including compliance with Medicare and Health Insurance Commission requirements.
- Disclosure to others involved in your healthcare including treating doctors and specialists outside this medical practice. This may occur through referral to other doctors, or for medical tests and in the reports or results returned to us following referrals.
- Disclosure to other doctors in the practice, locums etc. attached to the practice for the purpose of patient care and teaching.
- For research and quality assurance activities to improve individual and community health care and practice management. Usually information that does not identify you is used but should information that will identify you be required you will be informed and given the opportunity to "opt out" of any involvement.
- To comply with any legislative or regulatory requirements e.g. notifiable diseases.
- For reminder letters which may be sent to you regarding your health care and management.

You can decline to have your health information used in all or some of the ways outlined above but it may influence our ability to manage your health care to provide the best outcome for you.

I have read the information above and understand the reasons why my information must be collected. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obligated to provide any information requested of me, but that my failure to do so might compromise the quality of my health care and treatment given to me.

I am aware of my right to access the information collected about me, except in some cases where it might be legitimately withheld. I understand that I will be given an explanation in these circumstances.

I understand that if my information is to be used for any other purpose other than set out above, my further consent will be obtained.

I consent to the handling of my information by this practice for the purposes set out above, subject to any limitations on access or disclosure of which I notify the practice.

Please notify us promptly of any changes in your contact details. Accurate contact details help us identify you and your medical records and allow us to contact you promptly about tests and results.
