#### APPOINTMENTS

Emergencies and children who are unwell will always be given priority and our staff will attempt to contact you if there is any unforeseen delay or your Doctor has been called away.

A standard consultation is 15 minutes. Longer consultation times are available so please advise our staff if you require some extra time or if you have more than one item to discuss with your doctor. If you are attending for a health assessment, medical examination or a minor procedure, please inform the reception staff so they can book accordingly. We are also able to assist with specialist-only telehealth appointments and offer phone/telehealth in certain circumstances.

#### CANCELLATIONS

You are requested to give a minimum of 2 hours notice if you need to cancel an appointment otherwise you may incur a \$25 non-attendance fee.

#### INTERPRETER SERVICE

If you or a family member requires an interpreter service, we can organise this for you. Please let us know when you make the appointment.

#### FEES AND BILLING ARRANGEMENTS

##### Consultations

Crows Nest Medical Centre is a private billing practice. Children under 16 and DVA Gold Card holders are always bulk billed. Bulk billing is also available, at doctor discretion, to any patients who are experiencing a time of significant financial difficulty. The AMA fee structure forms the basis of our billing policy and is displayed in the reception area of the practice.

Concession card holders will be privately billed for the first visit in 4 separate months of a billing cycle (total 4 visits) and bulk billed for the remainder of the billing period. (Annual billing cycle 1 July-30 June)

In our practice, each doctor has the choice to adopt the practice billing policy or provide their own. Fees are payable at the time of consultation by cash or EFTPOS.

If your banking details are registered with Medicare your rebate automatically goes into your account. If you have difficulty in paying our fees, please discuss with the Practice Manager.

#### WOUND DRESSINGS

If your wound requires regular dressing we request that you bring your dressings with you. At your initial consultation our Nurse will complete a wound care plan which will outline dressings required.

#### REPEAT PRESCRIPTIONS

Repeat prescriptions may be obtained via phone request at the doctor's discretion. Please book telephone consultation
